Feb 19, 2019 The “Microsoft Visio” developers have added a new torrent link to the Visio torrent file and it is called: visio-2017(). This new torrent file (visio-2017()) is NOT compatible with the existing file (visio-2013). If you already had the updated visio-2013() and you run it, you will have problems, because new functions are not added to the software.
