Elden Ring (Latest)

Campaign (Supported device: Galaxy S5 / Wi-Fi) Campaign is the main part of the game, and you will be in the majority of your game time here. The campaign takes place in the Lands Between, the massive land of mist in the East of Elden. • The Adventure Begins New characters and new lands to conquer An all-new world with a vast field and terrifying depths: fascinating lands with an atmosphere of mystery. • Begin Your Journey Explore the Lands Between to discover a new world. Rival with other players in the open field map and challenge formidable monsters in the dungeon map. • Create your own Story As you progress through the world, you will encounter new character classes and open up a whole world of new experiences. • Completely Different From Ever DoLands Between In DoLands Between, you play as a character called The Fool, who is as earnest as he is naive. He falls into a conflict in his pursuit of justice and righteousness. In addition to the story of The Fool, there are various quests where you can improve the luck of the Village at which you happen to be. It's a new experience that brings DoLands Between's Tarnished World and its beauty to the thrilling world of Elden. DoLands Between: Dungeon (Supported device: Galaxy S5 / Wi-Fi) Dungeon is the second part of the game, and you will spend most of your game time here. A unique land full of dungeons that are changing according to the seasons. • Creating Tension New dungeons to explore, new obstacles to overcome, and unique, new upgrades for your equipment as the dungeon progresses. • Master the Skill You can enhance your acquired skills through a maze of dungeons. Whether it's power increases, powerful skills, or new combat techniques, what you desire can be obtained as you invest skill points. • Master the Magic There is a special attack that lets you do dangerous things like cutting through obstacles, injuring enemies, and altering terrain. You can use the bonus effects of your special attack from the start. • Completely Different From Ever In Tarnished World, you get to be The Fool as you fight monster after monster. The DoLands Between: BATTLE (Supported device: Galaxy S5 / Wi-Fi) B

What's new:

The mage-class 'Elden Lords' have been left to languish, while the 'Saints' and 'Arc Revenger' dominate the Lands Between. The 'Imperials' are waiting in the shadows of the subterranean palace built to keep the 'Elden Lords' imprisoned. This kingdom is now the domain of Shavarah, one of the Imprisons, whose determination and cruelty are surpassed only by her machinations for control. Shavarah is afraid of your power. Is she correct in her assessment of you?

XtremEyes: Xtreme Eyes

THE MANY COLORS OF FORTUNE. Open for beta-testing on Steam.

Xtreme Eyes (beta) is a fantasy action RPG in the same vein as Secret of Mana and Chrono Trigger. The game is in the early stages of development and still has a lot of work to be done. Fortunately, the game's development is in the hands of an experienced team who bring a sense of destiny and nobility. The stories of the world have been written for many hundreds of years. Recently, a prophecy foretold the rise of a new age. And a trial awaited you. You and your family alone have been preserved in the Lands Between, and you are linked to a powerful artifact. Your family's fate is dependent

System Requirements:

NOTICE: in order to get the correct amount of monster points, your characters must have a trophy (trading card) with the position number corresponding to your players numerical rank. For example, if the miniboss was the 13th Elite Monster, you would look on your characters trophy deck and get the number 13, which corresponds to that particular miniboss.
